Use the table below to determine division eligibility. If your athlete meets the criteria in two different divisions, you must register your athlete in the higher division. Grade (Fall 2025)	1-4	5-6	7-8

Is there a weight limit for football?

Yes. On game days, only athletes that meet the weight restrictions that day are eligible to play in the game. Each athlete will be officially weighed prior to game time. Please contact the Middletown Colts to discuss options for your athlete if they will not meet the weight limits but would still like to participate in the Middletown Colts Youth Football program.

There are no weight limits for cheer.

An Early Bird discount of \$25 is available through 4/15/25.

Do you offer a payment plan?

Do you have any fundraisers to help with the cost?

Do I have to purchase a uniform/practice gear package?

Yes. This year, all athletes must purchase a uniform/practice gear package.

Since I am purchasing the uniform/gear, does that mean it's mine to keep?

Yes. Any items that you purchase are yours to keep.

Is the uniform/practice gear the same for all football divisions?

Yes. The uniform/practice gear is the same for all football divisions.

What is included in the football uniform/practice gear package?

The football uniform/practice gear package includes the following: personalized jersey (new), integrated game pants (used), two pairs of socks, decorated practice jersey (new), and integrated practice pants (used). This year only—because they are in good condition—we have decided to include last year's practice pants in the uniform/practice gear package. Including these used items instead of new items significantly reduces the uniform/practice gear package price.

Will my athlete be able to use the football uniform/practice gear for more than one year?

Most likely. The uniform and practice gear have quite a bit of stretch. As long as the items fit properly, are in good condition, and the jersey number is "available," athletes can use the gear for more than one year.

How do I know if the football uniform/practice gear fits properly, is in good condition, and the jersey number is available?

All athletes must attend a football gear fitting session. Uniforms and practice gear are considered in good condition if the items fit and are free of tears and stains. An athlete that returns to the same team has jersey number priority. If your athlete is moving up a division, and their number is NOT already assigned to a returning athlete on the team, your athlete may reuse their jersey assuming it fits and is in good condition); otherwise, you must purchase a new jersey. The Colts administration determines jersey number availability.

I have a football jersey from last year that will work for this season. Do I really need to buy another jersey?
No. If your previous jersey still fits and is in good condition you can wear it again you 2025 season. We do require an inspection of your jersey at one of our gear fittings.

Are the uniforms the same for all cheer divisions?

No. The varsity cheer division will have a different uniform than PW and JV. All three divisions will have the same warmup pant and jacket.

What does the cheer uniform package include?

The package includes the following: shell, skirt, half-top, briefs, two bows, socks, personalized warmup jacket and pants, cheer shoes, and a personalized cheer bag. The PW and JV uniform package includes the following: half-top, briefs, two bows, socks, personalized warmup jacket and pants, cheer shoes, and a personalized cheer bag. PW and JV cheer will use last year's uniform (shell and skirt) and return the uniform to the Colts at the end of the season.

What if I don't want the cheer shoes or cheer bag?

You do not have to order the cheer shoes or cheer bag. If you choose not to order these items, the price will be deducted from your registration fee.

Will the cheer uniform fit my athlete for more than one year?

Will I need to buy a complete uniform/practice gear package every year?

No. Moving forward, you will only purchase the items that you need.

What else does my athlete need for the season?

Football athletes are responsible for supplying their own cleats (molded) and mouthpieces. Cheer athletes are responsible for supplying their own cheer shoes if they do not order the shoes included in the uniform package.
